**March 2015**

#### **Abstract**

##### **Combating terrorism and organized crime Example (Dinder group)**

**\* Osman Hussien Mohammed**

Dinder National Park is the ancient natural conservation in the south-east of Sudan. It was established in 1935 following London conference on the Protection of the Fauna and Flora. It Locates on the Sudan – Ethiopia border between latitudes 12° 26' N and 12° 42' N and longitudes 34° 48'. It is estimated about 10292 km<sup>2</sup> and it lies 300 kilometers far from Khartoum. Dinder national park considered to be the last Sudanese tourism destination. It Includes 270 species of rare settled and migratory birds as well as the diversity of large mammals such as lions and tigers and haunting types.

##### **Recruitment:**

Mosques used to be the only places through which the selection of persons takes place during religious lessons, focusing on particular age.

##### **The Meeting and means of contact:**

The persons meet in far flung places through small groups. They secretly contact each other using unidentified numbers.

**Arming:**

It gets through illegal trading weapons and regular forces attacking.

**Funding:**

The leader of the group is the person who bears the cost of funding.

**Training:**

It includes military fighting training and physical exercises.

**Planning:**

Targeting areas inside and outside Sudan, such as Mali and Somalia.

**The executed operations:**

It includes planning of how to get weapons and arrive to Mali and Somalia

**Dismantling process:**

It achieves by attacking the group and arrests the members alive to get their goals

**Trail:**

It is criminal trial according to the criminal law and other laws.

**Intellectual revisions:**

It is individual revisions through debates based on evidences.

**The outcome:**

Persuasion of the extreme group to adopt the true Islam thought and adapting them in the in the society, proved them with the best care.

The state has established intellectual and cultural centers to debate and convince the extreme groups.
