# About GFSU

Established by the Government of Gujarat in 2008, the Gujarat Forensic Sciences University (GFSU) is the world's first and only University dedicated to Forensic and allied Sciences. The main objective of the University is to make the Criminal Justice Delivery System techno Savvy and to help overcome the acute shortage of skilled manpower in this field. The four academic institutes of the University, namely Institute of Forensic Science (IFS), Institute of Management and Training (IMT), Institute of Behavioural Science (IBS) and Institute of Research & Development (IRD) offer 41 highly unique post graduate programs.

The ultramodern air-conditioned, eco-friendly & green campus of the university is spanning over 1.25 Lakh Square Meter with high intelligence security systems, hostel / guest house, amphitheatre, gymnasium, huge playground, cafeteria, large auditorium of 560 seating capacity, seminar halls, well equipped laboratories and a Learning Resource centre; inclusive of Computers with Internet facilities, together with a voluminous collection of both: Electronic & Printed – Books, Journals, Paper Reviews and Articles. The university houses Asia's first ballistic testing range and one of its kind Cyber Defence Centre providing state-of-the-art infrastructure to the students.

GFSU has been awarded “A” Grade by National Assessment and Accreditation Council (NAAC) in 2016. In 2019, Government of Gujarat has notified GFSU as a 'Centre of Excellence' as it has been recognized as an 'Institute of Strategic and Security related interest'.

In last 6 years, around 9000 officers from law enforcement agencies, judiciary, banking sector, state and central vigilance commission, Ministry of External Affairs and Ministry of Home Affairs along with foreign officers have been imparted training in the areas of forensic and allied sciences by the University. GFSU is recognized by MEA, Govt. of India under ITEC Scheme for imparting training to the officers of 161 countries.

# Programs Offered

## Institute of Forensic Science

Institute of Forensic Science under the Gujarat Forensic Sciences University has been established with a sole aim of creating much required expertise in the field of criminal investigation with the application of advanced scientific techniques.

### Programs Offered

No.	Program	Duration
1	Ph.D	Minimum 3 Years
2	M. Sc. Forensic Science	2 years
3	M. Sc. Digital Forensics and Information Security	2 years
4	M. Tech. Cyber Security and Incident Response	2 years
5	M. Sc. Cyber Security	2 years
6	M. Sc. Forensic Odontology	2 years

## Institute of Management and Training

Institute of Management and Training (IMT) is established with a solitary aim to create professionals and experts in the field of management, forensic accounting, healthcare management, homeland security, cyber security management etc. The Institute of Management and Training is engaged in conducting academic programmes and imparting need based professional training to the chartered accountants, bankers and other officials working in the field of justice delivery system including police, judiciary, forensic scientists and other government officers from India as well as abroad.
