Vision & Mission

Vision:

- To create a generation that is conscious and confident in making rightful decisions, to achieve a social life free of violence and addiction.

Mission:

- Enhance community partnership, breaking the barrier between the youth and law enforcement agencies
- Develop life skills
- Highlight life's challenges that may face the youth and derive the best options from them
- Implement methodologies to empower the youth with the skills of making the right decision

D.A.R.E. International

The organization was established in 1983 in Los Angeles and proved successful in more than 60 countries around the world. The program is a syllabus taught by policemen in their uniform. Classes are given to students beginning from the stage of nursery up to secondary school students. Students are qualified to take appropriate decisions in life and taught to face the pressure imposed by peers and to fight violence and addiction.
